This policy is based on advice from the Department for Education (DfE) on [charging for school activities](#) and [the Education Act 1996](#), sections 449 to 462 of which set out the law on charging for school activities in England. It's also based on guidance from the DfE on [statutory policies for schools and academy trusts](#).

1. Pre-Payment

All chargeable school activities, including KS2 meal payments, must be paid for in advance.

1.1. School Meals

Children eligible for Universal Free School Meals (all Key Stage 1 children) and those eligible for Free School Meals do not currently have to pay for meals. For all others, parents / carers will be required to pay for school lunches in advance, on a half-termly basis. For administrative purposes, wherever possible, the school would prefer payment to be made online using Arbor but cheques and cash are also accepted in the office. If you need support in setting up or using the online Arbor system, please ask the office. We understand that, on occasions, children may require additional or fewer meals than planned. If your child needs extra school dinners than originally paid for, parents / carers must top-up the meal payments online and if a child needs fewer meals, credit will be carried over to the following half-term. If meal payments are not made in advance, a child will be asked to bring in lunches from home until such a time that the child's lunch account is back in credit.

1.2. Wrap-around care

1.2.1. Breakfast Club

Attendance at Breakfast Club will be charged. Charges will be set annually, see **Appendix A** for current cost, with the intention to cover the cost of staff, resources, a contribution to utilities and building costs and any other costs that are related to the provision of the club.

The school would prefer payment to be made online using Arbor or via childcare vouchers / tax-free childcare, but cheques and cash are also accepted in the office.

Spaces on the club will be booked on a first-come first-served basis using Arbor. Payment in advance or proof of payment with childcare vouchers / tax-free childcare is required to be able to book a space on this club.

1.3. School-Led Paid Clubs

All school-led paid clubs must be signed-up and paid for termly in advance. Places will be given on a first-come first-served basis with a space only being able to be reserved at the time of payment.

1.4. Music Tuition

Children will have access to peripatetic music teaching. Commitment for such tuition is made for **a whole academic year**. Should children give up their tuition within the year, no refund will be given unless the place can be filled by another child. Written notice must be provided by the end of the Spring Term to discontinue peripatetic music tuition for the following academic year.

Instrumental music tuition and/or loan of instruments may be compulsorily charged unless it is part of a National Curriculum course.

Charges for music tuition are in accordance with HCC guidelines and provided in **Appendix A**.

Music lessons must be paid for termly in advance. If payments are not received before the first lesson of each term, parents will be notified and children will not be able to attend their music lessons until such a time that the payment is made.

1.5. Residential Activities

Parents will be asked to pay for residential costs of off-site activities and may be asked for voluntary contributions to cover the cost of travel and organised activities. Parents/carers will be advised of the cost of the residential visit at least six months prior to the visit taking place and a payment plan will be suggested by the School (although it is not compulsory).

2. Other Payments

2.1. School Trips

Trips which take place mainly out of school hours are chargeable.

Activities which occur mainly within school hours and are in fulfilment of National Curriculum requirements will not normally be chargeable, although voluntary contributions will be requested. Where a trip cannot be sufficiently funded via parent/carer contributions, it may have to be cancelled - this will be made clear from the outset.

2.2. Craft Activities

In practical/craft activities parents/carers may be asked for the full or partial cost of materials or ingredients if they have indicated in advance that they wish to own the finished product.

3. Damages

Parents/carers will be asked to pay for the cost of damages to school's property e.g. defaced books, broken windows, where the damage results from the child's behaviour or negligence. A list of charges will be kept and reconciled with the financial accounts. There will be an escalation process if any monies owed are not received within 1 month of request.

4. Financial Assistance

Requests from parents/carers for financial assistance will be sympathetically considered in consultation with the Head Teacher and Chair of the Finance and Staffing Committee, and will be provided within the limits of the school budget. Complete confidentiality will be observed in such matters.

5. Over-due / Late Payments

A list of payments will be kept and reconciled with the financial accounts. There will be an escalation process for any debt owed to the School.

6. Payment Methods

The school's preferred method of payment is online via Arbor, but cheques and cash are also accepted in the office. All payments are recorded in the school accounting system. For Breakfast Club, we do accept childcare vouchers (from your employer, if you joined their scheme before 4th October 2018) or you may be entitled to Tax-Free Childcare instead - visit www.gov.uk/tax-free-childcare for more information.
