

Maple Class Topic Homework: Spring 2025

Tombs, Temples and Tutankhamun

Your homework for this term is to produce something that demonstrates your understanding of an aspect relating to our Spring term topic on Egypt and the ancient Egyptians. You will be presenting your research to your class.

You can research any aspect you like and you can present it in any way you like, for example as a poster, a PowerPoint, a short film, a model or a written piece.

You could: Research and create a poster about *Ancient Egyptian Gods or Goddesses*.

Design your own game around the theme of *Ancient Egypt*.

Create an ancient Egyptian artefact and make a museum caption, giving information about it.

Research about a particular place in Egypt and write about it in a leaflet.

Make a model showing the structure of a pyramid.

Produce a news report about finding the tomb of Tutankhamun.

Create an Egyptian cookery booklet with old and new recipes, make some of the recipes and take photos for the booklet.

Work should be completed and in school by the 11th March as you will be presenting it to the class from this date. If you have any questions or problems with this task, please come and talk to me.

I hope you have fun!

Mrs Ormerod
