

Sparsholt

7th December 2021

Dear Parents and Carers,

A few weeks ago, we invited you to attend a presentation about our School Strategic Plan and School Improvement Plan.

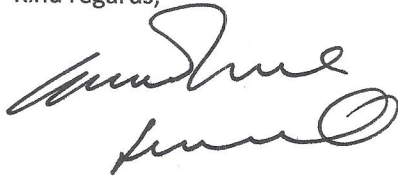

We presented the 5 Year School Strategic Plan and Mrs Gwilliam talked us through the rationale for our 2021-22 School Improvement Plan objectives. In case you missed the session a copy of both documents can be found on the school website under the 'Our School' tab.

In addition, our Pupil Governors shared with us their views about the School Improvement plan and the objectives they would like to achieve. A copy of this is on the school website under the 'Pupil tab' in the Pupil Governor section.

It was a terrific opportunity to hear first-hand about one of the Governor's core functions, which is to ensure the clarity of vision, ethos, and strategic direction for the school. We heard from parents who attended that it was an informative and inspiring session.

We hope that you will be able to join us on another occasion, but if you have any questions about the school strategy in the meantime, please do not hesitate to contact us.

Kind regards,

Caroline Horrill

Chair of Governors
