Dear Parents and Carers,

Our return to school this term has been truly uplifting. This morning we had an extended celebration worship where we discussed the multitudes of talents all our amazing children have, from kindness and compassion to sporting prowess. What was wonderful to see was the children's understanding that talent comes from practice and that to develop a talent you need to employ all of our values: Courage, Compassion and Creativity. As we sang a number of uplifting songs, it was moving to see the children singing together so beautifully, and wonderful to feel that sense of community.

Our Pupil Governors' latest Ukrainian humanitarian appeal has been very well supported this week. Thank you so much to all of you who were able to contribute, we really do appreciate your support and generosity. We will continue to collect food and toiletries on the last Thursday and Friday of every month so that the support remains ongoing.

We are really looking forward to this Summer Term and the many activities planned, including things like our Jubilee celebratory picnic, Sports Day and our end of year whole school production. We are also very excited about the many enrichment activities taking place including class trips, our Year 6 residential, inter-school sports tournaments etc. all of which are so important for children's education and wellbeing.

Thank you to all of you who completed our Parent Survey. We really do appreciate your feedback and will be analysing the information provided so that we can continue to improve what we offer for the whole school community.

I hope you all have a wonderful bank holiday weekend and look forward to seeing you on Tuesday 3rd May.

Kind regards,

Mrs Hanratty

COVID-19 Vaccinations

All children aged 5-11 will now be eligible for their first jabs as the COVID-19 programme rolls the vaccine out across Hampshire and the Isle of Wight.

The vaccine is a specially developed paediatric version for children. Parents are able to access the vaccine through vaccination centres, local pharmacies and GPs.

There has been an overwhelming response from parents who would like to vaccinate their children and teams across Hampshire and Isle of Wight are working hard to provide additional capacity.

Parents are able to find their nearest vaccination site via the NHS website, by calling 119 or by calling the Hampshire and Isle of Wight COVID-19 helpline on 0300 561 0018 which can help find and book slots or direct you to your nearest walk-in.

New sites and vaccination slots are uploaded all the time so please check regularly.

FoSS Update

Thank you all for your support at the Easter fair... a lot of face painting, egg hunting, games played and wellies being thrown made for a fun afternoon. We raised an incredible **£400** and all of this will go towards things for our children at school. So thank you.

To make plans for future events and to hear what the school would like us to raise money for we have a FoSS meeting with Mrs Hanratty on Wednesday 4th May at 8.45 am, straight after drop off. This is open to everyone and we encourage anyone who can to come along. Tea and coffee will be available and we value everyone's ideas.

That very same day we are planning a social pub get together. Come and join us for a drink or two at the plough from 7pm on Wednesday 4th May. It's a great way to catch up with people!

Have a lovely bank holiday weekend!
