

Pupil Governors Meeting Tuesday 14th March 2023

Welcome

Mrs Gwilliam welcomed us to the meeting and thanked the year 6 Prefects and Sports Leaders for joining us.

Tell Me Tuesday – Winchester Basics Bank

Emily started the meeting by saying the year 6 Pupil Governors had thought about how we could help the Winchester Basics Bank at other times of the year as we always help at Christmas. This was inspired by Mary who came to our school to tell us about the amazing work of The Basics Bank. Emily suggested that we ask the whole school community for donations of Easter Eggs and treats and deliver them to the food bank so families with children, who are in need this Easter, could have a treat. Emily said an Easter treat always puts a smile on someone's face and George from Beech Class commented that that 'children **NEED** chocolate!' Everyone agreed that that comment was true!

New Playground Equipment

Year 6 Sports Leaders, Martha and Amelia, showed us the new sports equipment. The sports leaders will be looking at replacing some of the items available at playtime and lunchtime and adding to what we already have on offer. The Velcro catch game was particularly well received.

Spring Sports Festival

Emily and Sophie said the Sports Leaders would be planning a Spring Sports Festival after the Easter holidays as it was so successful last year. Sam said the spring themed games were fun last year and the Sports leaders were looking at finding some creative ways to keep all children active at the event.

House Captains

House Captain Elections will take place next Friday. All Year 6 candidates need to prepare a speech to present to their house team during celebration worship.

Red Nose Day

We can dress from **head to toe in red** on Friday (17th March) and no school uniform! If you want to take part you should bring in a donation for the brilliant charity, **Comic Relief**.

Tell Me Tuesday – Meet the Mayor of Winchester

On Tuesday **21st March** we will be welcoming the **821st** Mayor of Winchester as a guest speaker to talk to us about his role as the Mayor.

Minutes by Amelia, Marta, Ollie, Daisie and Scarlett
