

Spring 2024
Maple Class
Tombs, Temples and
Tutankhamun

Choose a piece of the puzzle as your home learning and then take pictures or bring it into school to show the class.

Research and create a poster about an Ancient Egyptian God or Goddess.

Create an Ancient Egyptian artefact.

Draw a self portrait of yourself as an Ancient Egyptian. Are you a farmer, a pharaoh, a god or goddess or someone else?

Design your own game around the theme of Ancient Egypt.

Write a poem about the River Nile.

Create a word search or a crossword about Ancient Egypt.

Design a science experiment to answer:
How can you make a shadow bigger?

Research and list the different types of rock you have in or around your house.

Draw or trace a map of Egypt and mark any important landmarks.

Dig deep and complete your jigsaw with courage, compassion and creativity.
