Dear Parents and Carers,

What an amazing week this has been! The Year 6s have had an absolute blast on their residential down at Calshot Activity Centre and have been able to participate in a multitude of activities, from sailing and kayaking to skiing and rock climbing. They have been the ultimate ambassadors for the school with many of the Calshot staff, including the kitchen staff, commenting on their impeccable behaviour, manners and enthusiasm.

The Year 4s and 5s have also been out and about, and yesterday went to the Winchester Science Centre and the Butterfly farm (and yes the school was very quiet!). They had the most fantastic time being Nature Detectives where they looked at moths and butterflies, went on a bug hunt, studied different habitats and looked at meal worms that eat plastic! Again, the staff there commented on their enthusiasm and engagement with the activities and the detailed knowledge they showed.

Today our Year 5 pupils started their swimming sessions having missed out in Year 3 due to Covid. They all seemed to really enjoy it and it gave them an opportunity to cool down in this heat.

On Wednesday we welcomed in our new Year R pupils who are due to start with us in September 2022 along with their parents for a Teddy Bear's picnic on the field. It was so wonderful to see all the children playing and enjoying the sunshine and their parents starting to feel like part of our school community.

I am hoping that all of you will have seen the details around the new procedures for communicating going home arrangements which were both emailed and sent home in letter form yesterday. Whilst we do understand that for some parents this will require a little more parental involvement, we hope you will support us fully with this new system as it will help to safeguard the children.

Next week is another full week with Maple off to Hillier's Gardens on Monday and Oak off to a Computing day at Winchester College on Tuesday. The SCARF education team are also in for two days providing wonderful workshops for the children around themes such as keeping their bodies healthy, managing feelings and drugs education. And of course on Friday we have our Sports Day starting at 1.30pm which we are very much looking forward to welcoming you all to.

I hope you all have a wonderful weekend and manage to find ways to stay cool and refreshed in the heat.

Kind regards,

Mrs Hanratty

COVID-19 Vaccinations

All children aged 5-11 will now be eligible for their first jabs as the COVID-19 programme rolls the vaccine out across Hampshire and the Isle of Wight.

The vaccine is a specially developed paediatric version for children. Parents are able to access the vaccine through vaccination centres, local pharmacies and GPs.

There has been an overwhelming response from parents who would like to vaccinate their children and teams across Hampshire and Isle of Wight are working hard to provide additional capacity.

Parents are able to find their nearest vaccination site via the NHS website, by calling 119 or by calling the Hampshire and Isle of Wight COVID-19 helpline on 0300 561 0018 which can help find and book slots or direct you to your nearest walk-in.

New sites and vaccination slots are uploaded all the time so please check regular

Summer holiday fun for 4-10s

'Let's have fun' said Peter Pan and that's exactly what your child will do this summer as they fly off to Neverland on an adventure with Tinker Bell, the Lost Boys and Captain Hook.

We'll add a sprinkle of Perform fairy dust, imaginative costumes, songs and original music as your child stars in a wonderful show for family and friends.

Your child will enjoy:

- ▶ Three or five full days of drama, dance and singing
- ▶ Energetic friendly team of actors, dancers and musicians
- ▶ Colourful performance on the last day for friends and family with original music and costumes
- ▶ Personalised certificate of achievement for every child
