

## Pupil Governors Meeting

Friday 3<sup>rd</sup> February 2023

### **Children's Mental Health Week**

Mrs Gwilliam started the meeting with telling us what is happening for Children's Mental Health week, next week. Activities will all be linked to our Sparsholt Wheel of Wellbeing. We talked about bringing in our favourite soft toy, learning star breathing techniques, Dino the Dog visiting all classrooms, a Scavenger Hunt in the Church Yard and **Dress to Express** on Friday in aid of 'No Limits', our new Southampton based charity who support young carers. A team of Year 6's (Ollie, Daisy, Scarlett, Bea and Emily) have planned a No Limits presentation for whole School worship this afternoon so everyone in the school can hear about the great work of this charity. Ollie commented that it's great that we can contribute towards the Young Carers Summer Camp as it means that children our age, who have never been on holiday, get a chance to go on holiday.

## The Playground

Seb asked if we could get a picnic table with built in games boards so there was a place to play quiet games at playtime. George said it would be really useful to have a weather proof clock on the playground so children could look at the time when we are outside and it would also be useful for teachers. Mrs Gwilliam said she would take our requests to Mrs Hanratty and Mrs Morey.

## Tell Me Tuesdays

Mrs Gwilliam said the idea suggested by the pupil governors at the SIP meeting, presented to adult governors, of getting more visitors in to school was a great idea! She told us that we had managed to book a few 'Tell Me Tuesday' visitors including a representative from the Winchester food bank and the Mayor of Winchester.

Mrs Gwilliam said thank you to all the Pupil Governor Representatives for attending and having a working lunch.

Minutes written by Daise and Scarlett (Year 6)
