Handed out: Friday 19th September

Your homework for this term is to produce an outcome that shows your understanding about an aspect of our history topic

WORLD WAR II

You will be presenting your outcome in front of the class. You can research any historical aspect you are interested in. This exciting task will give you the opportunity to learn more about the Second World War.

You could:

- Research the military vehicles from this period
- Create a World War 2 ration menu
- Make a model of an air raid shelter
- Research how evacuees were moved out of larger cities
- Write a story based on World War Two

You can present your research how you like: A poster, a PowerPoint, a short film, a model, a written piece.

Year 6 have some Maths SAT's papers to complete too

Next half term our new text will be The Treekeepers by Kieran Larwood - We do have a few copies in school but I know many of you like to purchase your own copy.
