Friday 3<sup>rd</sup> December 2021

Dear Oak Class parents and children,

**Winchester College –River study, Liquid Nitrogen lecture and Festive Tea – Wednesday 8<sup>th</sup> December 2021**

I am delighted to be able to tell you that due to our excellent partnership with Winchester College, we have been invited to an educational extravaganza on **Wednesday 8<sup>th</sup> December 2021**.

We will be taking part in a **River Field Study Investigation**, a **Liquid Nitrogen Lecture** and a **Festive Tea** - all in one day!

The river investigation will involve observing a sample of river water and identifying organisms using a chalk stream ID chart. This will take place in the field but will be at a safe distance from the river bank. As we will be in a marsh area on college grounds please wear wellies and a coat. The college have kindly offered to supply us with packed lunches.

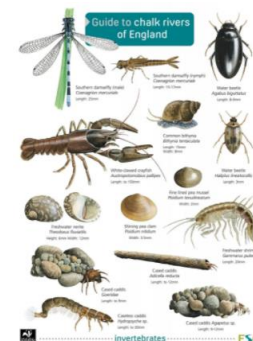

After lunch, we will be attending a fascinating liquid nitrogen lecture by Dr Barron in the science lecture theatre. Next on the timetable will be a 'Festive Tea' to celebrate the end of a successful autumn term!

We will leave school at 11am and return at 3.15pm.

This incredible opportunity is free of charge. **The children will travel in Winchester College mini buses and all food will be provided.**

Please complete the form below, giving your permission for your child to attend this wonderful opportunity, completing the statement about food allergies and photo permission and return it to the school as soon as possible. Any questions, please do not hesitate to get in touch.

Best wishes,  
Mrs Gwilliam
