

# Pupil Governors Meeting

26th November 2021

## Review of Children chosen School Charities

- Jane Goodall, Roots 'n' Shoots Programme
- Marine Conversation Society

Today our Year 5 Worship Team led a great presentation to the whole school for our school chosen charities; they talked about the fantastic work of the **Marine Conservation Society** and **Jane Goodall Roots 'N' Shoots Programme**. They told us about how the marine life in the oceans are key things to survive and how important keeping the animals alive really is .If we don't do something soon some creatures will become extinct. We were pleased to hear about the Roots and Shoots Programme and all the work they do to save habitats so animals such as chimps can flourish.

Scarlett said that by doing our Bring and Buy Sale we are one step closer to making our world a better place, and how good it is that we are working together every step of the way to make a positive difference to our world.

## **Review of the School Behaviour Policy**

We all read the updated School Behaviour Policy and had a discussion.

The Code of Conduct section was talked about in terms of the Golden Rules. William said the **Golden Rules** were a pupil friendly version of the Code of Conduct and everyone agreed. There was a good discussion about children signing a Code of Conduct, or the **Golden Rules**, alongside their parents, in the same way we sign our class code of conduct when we agree with it. Charlotte and Jack thought it was a good idea for children to discuss it at home as well as at school.

Jack said he thought the teachers need to use the minutes off playtimes more regularly if children keep on needing reminders to keep to the Golden Rules of 'Be Kind and Respectful and Be Safe and sensible'. There was a discussion about sexism and how there shouldn't be particular roles/jobs/tasks for men and women and boys and girls and that we are all equal and capable of doing and being anything we want to do or be. Charlie said it was good that girls and boys go to the school football club and everyone at the meeting felt that we are not sexist at our school.

### **Agenda Items for our next meeting.**

- Christingle
- Reverse Advent Calendar
- Possible visit to PG Wells Bookshop to select books for library.
