

Pupil Governor Meeting Minutes

Tuesday 1st March 2022

The meeting started with Mrs Gwilliam welcoming the Pupil Governors. The told meeting today was about the up -and - coming events for second half of the spring term.

Ash Wednesday Worship – Wednesday 2nd March

The Worship Team have met with Revd Jax to plan the special **Ash Wednesday Worship**. Two children from each class will read a prayer during the Worship.

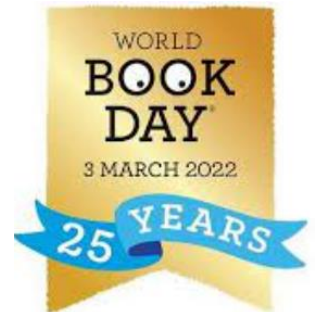

Two Day Emergency Appeal Humanitarian Crisis

As everyone is aware, the recent events in the Ukraine have shocked the World and the rapidly increasing numbers of refugees fleeing is creating a humanitarian crisis. This is making us all feel we want to do something to help. As a community, we would like to provide some help to support by donating specific items to the Polish Social club in Portswood Road, Southampton. An email will be sent out to our school community tomorrow asking for donations to be brought into school on Thursday and Friday of this week. The shipment of donations will leave Southampton on Sunday.

World Book Day - Thursday 3rd March

We are all looking forward to World Book Day. We need to remind our classmates that we can dress up as favourite book character, bring in our favourite book or an object that represents our favourite book. At random times of the day, the school bell will ring and we will D-E-A-R! Drop Everything and Read! This could be at any time of the day, so make sure you have your book next to you in maths, PE and at playtimes!

In the afternoon, each House Team will meet with their House Team Teacher for a World Book Day Celebration and the election of House Captains.

Fund Raising For the British Red Cross – Friday 11th March

William from Oak Class thought it was important that we, as a school, should support the vital humanitarian work of The British Red Cross supporting people affected by the Ukraine crisis. The Pupil Governors would like to lead a fundraising event to raise money so that The Red Cross can buy food, water, first aid, medicines, warm clothing and shelter. William, Charlotte and Charlie came up with the idea of wearing something yellow as a symbol of hope and peace. For example, the children could wear a ribbon, headband etc. They said we could place a large World Map, surrounded by blue and yellow hearts, on tables under the big tree at the front of the school and ask our school community to cover the map in £1/£2 or notes. The Year 6 Pupil Governors will lead this fundraising campaign.

Comic Relief - The Power of Funny! - Friday 18th March

Charlie and Florrie came up with the idea of a Comedy Gala, with stand-up comedy acts, sketches and jokes for Comic Relief on Friday 18th March. Everybody can wear red and bring in £1 or £2 for Comic Relief. A planning group will meet up next week to discuss the details including advertising the day.

Closing Comments

Mrs Gwilliam asked the pupil governors to share the meeting minutes with their classmates.

Mrs Gwilliam said that she was very proud that we live through our values of courage, compassion and creativity through our courageous advocacy activities.
