

Pupil Governors Meeting

Wednesday 19th April 2023

Welcome

Mrs Gwilliam welcomed us to the first meeting of the summer term and thanked the year 6 Prefects, Worship Team, and Sports Leaders for joining us.

Winchester Basics Bank – Easter Egg Delivery

Mrs Gwilliam was pleased to tell us that the volunteers at the Winchester Basics Bank were delighted with the delivery of the Easter Eggs we collected. They were able to get them to families in need in time for Easter. Thank you to everyone for your kindness and generosity! Mrs Gwilliam told us the exciting news that Pupil Governors have been invited to visit the Basics Bank for a behind the scenes tour and talk.

New Netball Posts

Last term the sports leaders suggested that we needed some netball posts which could be used for shooting practice at playtimes. We were quite excited as these have now arrived! We had a chat about how these could be used Annie said we need a 'serious message' to everyone about using them safely and sensibly. Mrs Gwilliam said

this could be announced in Celebration Worship this Friday. George from Year 2 asked if we could have another set of football goals.

Whole School Cross Country Event 2023

Scarlett suggested that the eagerly awaited Cross Country event should take place after the Year 6 SAT's so the Sports Leaders had time to plan and organise this exciting fixture. Everyone agreed and seemed very keen!

It was decided that the sports leaders will advertise the event at the beginning of May.

King Charles III Coronation Whole School Celebration on the school field – Friday 5th May

Mrs Gwilliam announced that on the afternoon of Friday 5th May the whole school will be having a carousel of coronation themed activities on the field. We will be in grouped into our house teams (15 in each team) and take part in some fun activities. We discussed some ideas and came up with some really creative activities!

Suggested Activities:

Coronation Crafts

Royal Icing cake decorating

Musical thrones

Good Afternoon Your Majesty Game

Daisy and Scarlett suggested some Year 6 could lead some of the activities with staff. Mrs Gwilliam said the Year 6 Governors would continue planning and create a poster and send a letter to parents.

After the activities parents would join us on the field to sing our coronation song and then we will have a coronation picnic together. Mrs Gwilliam told us that FOSS would be serving cream teas.

Tell Me Tuesday

Our next Tell Me Tuesday is next week. Dan, a local toy inventor, is coming into school to talk to us about designing and making toys. As always there will be an opportunity to ask Dan any questions about his amazing job!

Minutes by Martha, Lola, Scarlett and Sam
