

Improving the Quality of our Education

- Our teachers will support and challenge us in all our learning. They will give us opportunities to show our understanding in a variety of ways and find ways to help us when we find learning tricky.
- Our teachers will give us regular 'Number Sense'/ fluency activities and more opportunities to reason and problem solve in Maths.
- We will take part in more outdoor learning activities in and around our locality.
- School staff will help our parents/carers know what they can do to help with our learning at home.

Improving our Behaviour and Attitudes

- We will learn more about how we can develop a growth mind-set approach to help us become more resilient and independent learners now and in our future lives.
- We will regularly use community circles in our classrooms to 'check-in' and 'check-out'.
- We will invite parents, governors, staff and pupils to 'Tell Me Tuesdays' to talk about the important and interesting things happening in our school community.

Improving our Personal Development

- We will continue to use and find new ways to use The Sparsholt Wheel of Wellbeing at home and at school to help us keep spiritually, physically and mentally healthy.
- We will learn more about how we can become responsible global citizens, learning skills so we can make a courageous, creative and compassionate contribution to our local and global community.

Improving the Leadership and Management of our school

- Our teachers will make sure the feedback we get about our learning helps us improve and motivates us.
- Our teachers will learn new ways about how they can help us make our learning in all subjects more interesting.
- We will continue to play an even more important part in the running and improvement of our school through our leadership roles.
- All adults in our school will make sure we are safe and always cared for to a Gold Standard.
