

# Oak Class

Mrs Laver Miss Bell

## Projects 2025—2026

Autumn — We can do it !

Spring — There is no Planet B

Summer — Why are the Rainforests so important?

## Home Learning

We shall be setting overnight challenges occasionally—these need to be completed overnight and returned the following day. Home learning in maths and English or topic will be sent home on a Friday and needs to be returned by the following Tuesday.

## Personal Items

Please send your children to school with fruit or vegetable snacks and appropriate outdoor clothing for the weather. Please can your child always have a “reading for pleasure” book in school.

## Multiplication Tables

Children should spend at least 15 minutes a day keeping their multiplication/division facts recall sharp. Secure multiplication knowledge provides a foundation for a range of learning in maths including written multiplication, division, fractions, percentages and time.

## Contact

Please contact me via  
[adminoffice@sparsholt.hants.sch.uk](mailto:adminoffice@sparsholt.hants.sch.uk) if you have any questions about what your child is learning.

## PE information

Oak PE days are Wednesday and Thursday

Please ensure kit is worn on those days including a school PE hoodie/school jumper, navy joggers/shorts and trainers.

## 'If you read you will succeed'

Reading is the gateway to the whole curriculum. Please encourage daily reading, whether your child reads on their own or you read together. Discuss the books, the characters, the story lines and encourage your child to express their own opinions.

## How Can I Help My Child?

- Follow up what your child is learning at school and talk regularly about it.
- Encourage your child to complete home learning tasks thoroughly. However, we will always give them an expectation of how long a task should take, so please do not allow them to spend hours on one piece. (unless they want to!)
- Help your child develop independence skills by encouraging them to be responsible for their home learning tasks. Please remember they will benefit from your help and support with tasks.
