5th & 6th May (times tbc)

Dear Parents and Carers,

What a lovely last day of term it has been. The children have thoroughly enjoyed the Easter Egg hunt organised by FOSS. To see them outside on the field helping each other hunt was so amazing and just showed what lovely children we have here at this school. Thank you to all of you for supporting FOSS with this, it raised over £130 for the school and in addition, your generosity in donating so many eggs has meant that we were able to donate some of them to the Winchester Night shelter.

Each class has been busy this week creating their scene for the Easter story which has now been put together to create a short film. The children were fully involved in the process including acting as cinematographers. The whole school were able to watch the film in its entirety during their class worship and it has enabled them to reflect on the very important message of hope and forgiveness.

Regarding our return after Easter, we will be continuing to follow all the protocols that have been in place this term including staggered drop off and pick up times. Due to the amount of sport and PE that the children missed during the January lockdown, we are bringing in additional sport coaches to ensure the children have an active Summer Term. This means the days that children will need to come into school in their PE kits has changed, so please make sure you look at the new timetable further on in the newsletter.

I want to thank you all for your support, kind words and understanding through what has been another challenging and difficult time for all of us. Every member of our school community really has had to dig deep with courage, compassion and creativity and I think it shows what an amazing community we all are.

I hope you have lovely Easter break and please do get involved in our sponsored Journey to Kampala challenge.

I look forward to welcoming you all back on the Monday 19th April.

Kind regards,
Mrs Hanratty
