

Pupil Worship Team Meeting

Friday 7th October 2022

The Beacon Harvest Collection

Mrs Gwilliam told us that Revd Jax had sent her a list of items needed by the Winchester Beacon (The Night Shelter). Scarlett said the Worship Team could start telling friends and parents about which items were desperately needed to help The Beacon provide hot meals for homeless people of Winchester. Martha and Sam suggested The Worship Team could read out the list of items needed during Harvest singing practice. Mrs Gwilliam said an email would be sent out to the community on the Worship Team's behalf asking for Harvest gift donations. Mrs Gwilliam added that Mrs Wesley (foundation governor) has volunteered to deliver the Harvest gifts.

Harvest Festival at St Stephen's Church

On Sunday 9th October we have been invited to the Harvest festival at St Stephen's Church, Sparsholt. Mrs Gwilliam said thank you in advance to all the children who are taking part on Sunday and that she would meet us at the church at 9.45 am and to be prepared to teach the congregation our favourite song, 'conkers'!

Apple Fest!

Daisie asked if we were having Apple Fest this year as last year it was such a fun event, and also we were able to support Karis Kids with a school project in Kampala. Mrs Gwilliam said we would love to but it would involve writing persuasive letters to Sparsholt College as Blackmoor Apple Farm had kindly donated apples last year. She added that she is sure that Oak Class would be up for the persuasive letter challenge and that we could have our Apple Fest! Bea said it's great because we can help put food on the plates of our friends in Kampala, as Revd Jax has told us that Karis Kids are asking for further support as the situation in Uganda worsens. Mrs Gwilliam said she thought it was fabulous that we were courageous advocates for our global friends.

The next meeting will be after half term.
