

Eco Warrior Team Meeting

Wednesday 12th October 2022

Used Book Sale

Patch from Oak Class started the meeting by saying well done to the team for their first event of the year. The used book sale held last Friday raised over £100 for Karis Kids. Fearne said that it was brilliant that our library book sort out and sale resulted in children getting new books instead of throwing them away. Annie said children in Kampala could also buy new books for their school which was fantastic!

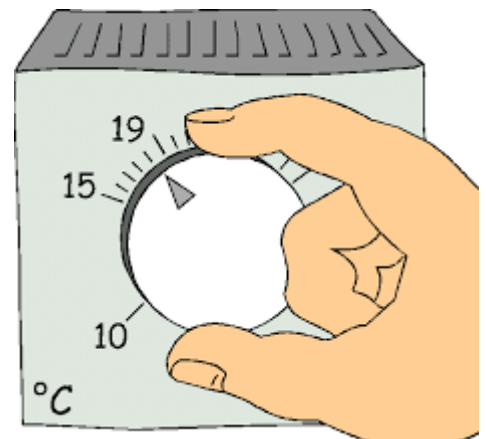

Badges have arrived

Mrs Gwilliam was pleased to tell us that the new badges had arrived so Eco-Warriors would have their badges presented in celebration Worship on Friday

Saving energy

We had a discussion about how we could save energy this term. Harriet said we could save money for the school and importantly save the planet at the same time as energy

prices had gone up a lot recently. Gregory suggested putting up signs around the school reminding people to turn off lights when they leave a room, and only putting them on if needed. He added that if we could turn the heating down at school and at home by 1 or 2 degrees we could help save the planet and save on energy costs.

Waste Free Wednesday

Olivia said that Waste Free Wednesday was a fantastic last term and that we need to encourage everyone in the school community to take part this year too! Everyone agreed to remind their class about Waste Free Wednesday. Mrs Gwilliam said The Eco Team could also send an email to parents to get them back on board too!

Litter Picking

Fearne said the Eco Team needed to take more of a lead on litter picking around our school ground and maybe around Sparsholt if this was possible. Mrs Gwilliam said she would ask Mrs Hanratty how we could get more involved.

Used School Uniform Table Eco Event

Mrs Gwilliam asked us if the Eco Team could organise, advertise and run a used uniform table sale at the Apple Fest event. Parents and children could take items from the table for a small donation. This is a great way to be sustainable and avoid buying new, if at all possible. Everyone was very keen to help with this Eco Event to be held on Friday 21st October.

Actions:

- Notices about saving energy around school
- Promote Waste Free Wednesdays in our community including email to parents
- Talk to Mrs Hanratty about litter picking
- Organise used uniform distribution at Apple Fest
