

Beech Class Spring 2025 Water, Water Everywhere!

Recycle materials to make a boat. Test it to see if it will float or sink.

Take a trip to a beach. How many **different** shells can you find?

Make an observational drawing of a shell you collected.

Make a seaside picture using a variety of resources.

Explore your garden or a park. Record all the signs of Spring you can find.

Choose a room in your house and make a list of all the different materials you see.

Sketch something that is growing in your garden or a park.

Find out about an animal that lives in the sea and make a fact file about it.

What can you find out about the RNLI? Present your findings in your own way.

Dig deep and complete your jigsaw with courage, compassion and creativity.
